## **COLLEGE PROFILE**

Government Degree College, Santirbazar was established on 14th June 2012 to provide quality education to students from the rural areas of Tripura. Located in the South District, about 95 km from Agartala, the College is affiliated to the **UGC under 2(f) and 12(b) UGC Act, 1956**. The college comes under Tripura University (a Central University), Agartala. It is accredited with B+Grade (CGPA 2.72) by NAAC.

GDC Santirbazar has been declared as one of the 'Model' colleges of Tripura under the programme of Rashtriya Uchhatar Shikshya Abhiyan (RUSA). It has been offering a number of courses both in regular mode and distance mode. The place is generally plain land, well connected with different villages and towns of the state. The majority of the people belong to Bengali Community and there is a sizeable number of tribals too. It was a long felt need to fulfill the aspiration of the people to have one college in this area. It has come true and initiatives have already begun to spread higher education.

### **Vision :**

"To provide higher education in the rural areas of the state."

### **Mission :**

- Encouraging students to enroll in higher studies.
- Guiding and supporting the students to complete the course.
- Reducing the number of students dropout.
- Motivating the students to become self-reliant.
- Developing required infrastructure for quality learning
- Collaboration with the local institutions and inhabitations for the development of the surrounding.
- Promoting national and traditional values among the students.

### **Objectives :**

- To provide knowledge, wisdom, and skills to students in keeping with the times.
- To enhance the abilities of students for their career development
- To identify career avenues and motivate them to go ahead with their future career
- To make students competitive to fetch employment in different sectors
- To encourage students and to make them self-reliance
- To provide a forum for cooperation from teachers and other stakeholders

### **Curricular Aspects:**

The college is affiliated to Tripura University, Suryamaninagar, Agartala, Tripura and hence the college follows the curriculum designed and developed by the affiliating University, which is based on UGC guidelines. The college adopts many strategies for effective implementation of the curriculum through which the objectives of the college are achieved. The academic calendar and class routine are prepared at the beginning of each academic year. The college takes regular feedback from its stakeholders for the better implementation of the curriculum. The HODs monitor the implementation of the curriculum and the academic plan, and report them to the Principal regularly. The curriculum is delivered by using effective teaching strategies. Seminars, Workshops, and programs are organized by respective departments to fulfill the mission, vision, and objectives of the college.

### **Facilities:**

The college campus is well equipped with a conference hall, smart classrooms, computer laboratories and playground. It has one library, one computer laboratory, one smart class room, one conference hall, 18 classrooms, one boy's common rooms, and one student union council room. The college has one beautiful playground for the students. Since it is a newly established college, the teacher student ratio is effective and the teacher student relationship is cordial. The college attracts a number of students belonging

to all categories from many nearby villages and towns. The college authority (Principal-in-Charge) and the overall administration are prompt and active in developing the infrastructure and curriculum of the college.

**Co-curricular activities**

Besides academic activities/courses, the college too organizes number of co-curricular activities like games, sports, debates, quiz competitions and drama etc. In addition to those activities, the college has a very much active National Social Service (NSS) unit, which organizes number of activities throughout the year and an annual camp each year. Last year NCC Unit and Placement Cell have been introduced in the college.

**Programmes offered:** For 1<sup>st</sup> semester admissions in 2025, the college shall be implementing the National Education Policy (2020) formulated by the Government of India.
